Why choose Liverpool as your base?

Liverpool has been the centre of various cultural revolutions since the city was first established 800 years ago this year. Where better a place to pick up a cultural icon such as the Volkswagen Camper Van than in the Capital of Culture... but Liverpool!!

From the "Dub Hub" here in South Liverpool, you have fast and easy access to the UK's beautiful countryside and Europe's most celebrated destinations.

We are located a four minute drive from Liverpool John Lennon Airport and major motorway junctions which will enable you to be in the heart of The Lakes, Snowdonia or the Peak District in less than two hours.

Alternatively, take the Sea Cat to Ireland or the Isle of Mann from the Port of Liverpool. You could even take the two hour cruise over the Pennine's to Hull and take in the Continent.
